The New Rover 75

The new Rover 75 is designed to offer a comprehensive degree of choice. On these two pages, you will find a wide range of engines, trim levels and optional extras to entice and satisfy the most demanding of drivers.

Make your personal choices from this selection and in most cases, you can expect your new Rover 75 to be ready in no more than four to six weeks.

That's a short time to wait, for the car of your choice.

Monogram Bespoke Build is designed for motorists who want their car to express their personality. With Monogram, you specify your car to your particular preference, making it totally your own.

Monogram brings out the creative in you, putting you in control of the decision making process. Monogram Exteriors, Monogram Interiors and Monogram Personal Options embrace exterior and interior colours, exclusive finishes and in-car features.

You can be bold and upfront or subtle and understated. Ultimately your car can become as individual as you are.

What's very important is to take the time to get everything just right. Arrange a Monogram consultation with your MG Rover Distributor and use their experience to help you work your way through the many Monogram options. When you have decided exactly what's right for you, we will order the components for your desired specification.

Many of these will be hand-built or personally selected for your car.

We will then let you know your car's planned delivery date.

As you would expect, this high degree of personalisation in designing, selecting and building your car takes a little while. But we are confident your investment will be well worth the extra wait.

Warranty

Every new Rover comes with a standard three year/60,000 mile warranty,* whichever comes first. (There is no limit to mileage in the first year after purchase.) Included in this package is Rover's exclusive one year roadside assistance service.**Please apply to your Distributor at the time of purchase for full details of the manufacturer's terms and conditions.

*Made up of a 12 month unlimited mileage warranty plus Rover's 2nd and 3rd year 60,000 mile Extended Warranty, subject to terms and conditions. The Extended Warranty will only apply to the extent that the 12 month unlimited mileage warranty has not exceeded 60,000 miles.**This can be extended to 3 years at a very competitive rate. Please ask your Rover Distributor for details.

All Models

For delivery availability information contact your Distributor. The 'On the Road' price includes Government Road Fund Licence (amount payable dependent on CO₂ emissions, please consult your Distributor for details – subject to statutory changes) and a £38 Government Vehicle First Registration Fee

Fuel supplied by the Distributor and other goods or services supplied by agreement between the customer and the Distributor are not included. The 'On the Road' Price includes number plates, delivery to the Distributor's premises, 'On the Road' costs and free initial servicing. Please see manufacturer's information for details.

Vehicle Excise Duty

Cars registered from 1st March 2001 will be subject to a new system for defining the Vehicle Excise Duty ('Car Tax') that is applicable to that car. This scheme has been introduced by the Government to enable consumers to benefit from purchasing more fuel efficient cars i.e. the more fuel efficient the car the less Vehicle Excise Duty payable. All registrations are still subject to the Government First Registration Fee of £38. Please refer to the individual model pricing sections for information on which Tax Band rate has been applied to achieve 'On The Road' prices (subject to statutory change).
